SAVE THE DATE!

20 | Summer Search
years | where change begins

**Summer Search is celebrating our 20th Anniversary
Please save Friday, September 24th on your calendar!**

In 1990, Founder Linda Mornell started Summer Search. Her idea: give young people with potential but no opportunities the support, resources and inspiration to change the trajectory of their lives. Over the last 20 years, Linda's passion and desire to change the path for her first 14 students has blossomed into an even larger impact – to help collectively over 3,500 students change their lives and become positive leaders within their communities. Today, Summer Search is one of the largest youth leadership development nonprofits in America, partnering with 200 schools and nonprofits across the country to identify motivated and altruistic low-income high school sophomores.

To celebrate our 20 year track record of success and to honor Linda, Summer Search is hosting an “urban picnic” event on the evening of Friday, September 24th, 2010 at the Herbst Pavilion at Fort Mason in San Francisco. Please be our guest and join other supporters, long-time and new board members, alumni, staff and students at our celebration. Each of you has played a role in shaping Summer Search into the dynamic and effective organization that it is today.

The festivities will include opportunities for guests to explore and experience the many facets of Summer Search. Alumni are encouraged to stay through the weekend for the National Alumni Summit on Saturday, September 25th. *Be sure and save the date. We look forward to celebrating with you!*
