## SUMMER SEARCH DONORS

Your sustained generosity in 2008 allowed Summer Search to recruit and serve our largest sophomore class yet. Thank you for offering so many motivated, altruistic low-income students the support and opportunities they need to succeed.

We are deeply grateful to the following donors who made an investment for Summer Search's Fiscal Year 2008.\*

*Clockwise from top left: A student mingling with supporter David Schwartz at the 2008 Summer Search San Francisco Leadership Luncheon. Gilbert '09 at the 2008 NYC Young Leadership Committee Cocktail. Derek de Petra, Paola McNamara, Brian McNamara, David Alonso, and Paul Ginocchio at the Bay Area Investors Dinner. Boston Alumni present a check to Summer Search at their annual holiday party.*

*\*Please accept our sincere apologies if your name is not listed properly. We truly appreciate you and your support, and would like to make sure we don't make the same mistake again. Please call (415.362.5225) or email us ([ssinfo@summersearch.org](mailto:ssinfo@summersearch.org)) to let us know.*

"Summer Search is a key partner of our Pacific Northwest Community Grants program. We look for partners with proven track records that get results. Summer Search's program is one of the few that engage students in a long-term, intensive relationship, and it shows. Students are personally changed by their Summer Search experience, and that helps to set them on the road to college and academic success."

## **Strategic Grant Partners**

"At SGP, our mission is to invest in great leaders with game changing ideas. Over the past five years, we have challenged Summer Search to deliver bodacious growth goals in Boston while dramatically improving effectiveness and efficiency and they have delivered. Summer Search has never shied from a new idea or opportunity, even when we challenged some of their most closely held methods."

"Several years ago, a colleague invited me to attend the Summer Search Boston Leadership Dinner. A Summer Search student spoke to an audience of several hundred people about her personal journey, having encountered more challenges in 17 years than most of us will witness in a life time. After that evening, I researched the program. The results achieved by Summer Search students convinced my wife and I that this is an organization we wanted to support. I encourage others who are just learning about Summer Search to look further."
